Anti-Bullying Policy

Introduction

This policy is based on DfE guidance "Preventing and Tackling Bullying" July 2017 and supporting documents. It also considers the DfE statutory guidance "Keeping Children Safe in Education" (2022) and "Working together to safeguard children" (2022).

It should be read in conjunction with the following policies:

- Safeguarding Policy
- Peer on Peer Abuse Policy and Guidance
- Behaviour for Learning Policy
- E-Safety Policy

BLC has an Anti-bullying committee who evaluate and develop the ways that we both tackle bullying and support those involved. The committee is representative of our whole community and wider stake holders

Policy Aim

At BLC our aim is to create an atmosphere which is caring, protective, and supportive where no one feels humiliated, intimidated or abused. Recognising bullying in all its forms is a vital part of this process.

Definitions

- Bullying is "behaviour by an individual or a group, repeated over time that intentionally hurts another individual either physically or emotionally". (DfE "Preventing and Tackling Bullying", July 2017)
- Bullying can include: name calling, taunting, mocking, making offensive comments; kicking; hitting; taking belongings; producing offensive graffiti; gossiping; excluding people from groups and spreading hurtful and untruthful rumours.
- This includes the same unacceptable behaviours expressed online, sometimes called online or cyberbullying. This can include: sending offensive, upsetting and inappropriate messages by phone, text, instant messenger, through gaming, websites, social media sites and apps, and sending offensive or degrading photos or videos.
- Bullying can be a form of peer on peer abuse and can be emotionally abusive; it can cause severe and adverse effects on children's emotional development. Accepting and complying with bullying is the same as bullying itself.

Bullying can happen to anyone. This policy covers all types of bullying including:

- Bullying related to race, religion, nationality or culture
- Bullying related to SEND (Special Educational Needs or Disability)
- Bullying related to appearance or physical/mental health conditions
- Bullying related to sexual orientation (homophobic bullying)
- Bullying of young carers, children in care or otherwise related to home circumstances

- Bullying via technology, known as online or cyberbullying

Staff must remain vigilant about bullying behaviours and approach this in the same way as any other

category of Child Abuse; that is, do not wait to be told before you raise concerns or deal directly with the matter. Children may not be aware that they are being bullied especially in our school where all students have Special Educational Needs which means that they may be unable to realise what others may be doing to them.

Staff must also be aware of those children who may be vulnerable pupils,, who may have adverse childhood experiences (ACEs) and those responding to emotional problems or mental health issues which may bring about a propensity to be unkind to others or may make them more likely to fall victim to the behaviour of others.

Prevention and reporting

All staff at BLC actively promote our school values: Build, Respect, Inspire, Dare, Graft and Empower. Respectful, good and polite behaviour is expected, regularly acknowledged and rewarded. Staff will regularly discuss positive expected behaviours; this will inform children that we are serious about dealing with unexpected bullying behaviours and lead to open conversations and increased confidence. to report any incidents and concerns about children's behaviour. Staff will reinforce expectations of behaviour as a regular theme in conversations, lessons and assemblies.

Students can report bullying by:

- Telling a trusted adult directly
- Through a third-party peer
- Speak to an antibullying coordinator
- Posting a note in a 'worry box'
- Email wellbeing@bhc.school
