## 17<sup>th</sup> January 2025

Happy New Year! Welcome to our first newsletter of 2025, highlighting just a few of the activities taking place at our school.

After a brief pause, Mr Short has relaunched our very popular Radio Club, giving the opportunity for a different group of pupils each term to inspire others as they plan, host and broadcast their own weekly radio show! I look forward to hearing the first episodes of the year & you can also follow their schedule on [Spotify](#), [Creater](#) or [podchaser](#)

To help prepare our pupils for the world of work, I am grateful for the support of 20 employers who volunteered their time to come into school and hold mock interviews with our Year 10 pupils today (Friday 17<sup>th</sup>). These interviews were a valuable experience for our pupils, empowering them to be successful in their next steps.

At the beginning of this week, our Year 5 teachers organised a visit to the Central Library and the Bristol Museum. It was wonderful to see the children reading and enjoying books together, talking about their favourite stories and exploring the library. The children also enjoyed looking around the museum and completing quizzes about different objects. Thank you to all the parent helpers who supported this visit.

I am very proud to be able to say that Bridge Learning Campus has been recognised in the Top Ten of improving schools in South West England according to the Fairer Schools Index. I am delighted that the hard work of our pupils and staff has been acknowledged. However, we know there are always places where we can continue to improve and you can be reassured that all staff here will always go the extra mile to provide the best for your children. You can read Bristol Post's article [here](#) for more details.

Finally, a reminder for all parents/carers of Year 11 pupils that our **Year 11 mock results day and parents'/carers' evening takes place on Thursday, 13<sup>th</sup> February from 3:30 pm**, so please be sure to book your appointments to see your child's teachers and discuss how to help your child achieve the best exam results they can in the summer.

Best wishes,

Mr Maule
