

# PARENT/CARER'S HANDBOOK 2022-2023

# Welcome From The Headteacher

Dear Parent/Carer,

We take great pleasure in welcoming you and your child to Bridge Learning Campus (BLC). We are very proud of our school community, the ethos of which supports all pupils to grow in confidence, to aim high and to achieve their full potential, both academically and personally. We know that with your support this will be a very successful year for your child.

We believe that confidence is the key to future success. This is why everything we do at BLC is designed to help our pupils to become confident individuals who always represent our values. Our curriculum supports this ambition and, with the high expectations we have of our pupils (and of ourselves too), I am very excited at the prospect of what your child will experience and achieve as part of our community.

Our school website [www.bridgelearningcampus.org.uk](http://www.bridgelearningcampus.org.uk) has all of the most up to date information, but as a parent myself, I know that having something handy on paper can also be really useful. So this handbook is designed to give you some of the essential information you need as well as some more detail about how we will help your child to learn, grow and flourish with us.

We look forward to meeting you and working in partnership with you during your child's learning journey at Bridge Learning Campus.

Please do not hesitate to contact the school with any questions.

Mr R Maule  
Headteacher

## Contact Information:

## Arbor

We use Arbor as our school MIS & communication system. We ask parents/carers to sign up to the Arbor Parent Portal where you can view e-mails, SMS and In-App messages and be kept up to date about your child's life at school. The Parent Portal works on Google Chrome (computer or laptop) and you can download the Arbor App from the App Store or Google Play Store on your phone (Android 5.0; iOS 10.0 and upwards). Wait for your welcome email from us telling you Arbor is ready - you won't be able to log in before. For help with logging in please contact the school office. [www.arbor-education.com](http://www.arbor-education.com)

## Timings of the School Day:

### START:

Nursery to Year 6 – 8:30 am

Year 7 to Year 11 – 8:35am

### END:

Nursery to Year 11 – 3:00pm

## Term Dates 2022/23:

Term 1: Monday 5th September 2022 - Friday 21st October 2022

Term 2: Tuesday 1st November 2022 - Friday 16th December 2022

Term 3: Thursday 5th January 2023 - Friday 10th February 2023

Term 4: Tuesday 21st February 2023 - Friday 31st March 2023

Term 5: Monday 17th April 2023 - Friday 26th May 2023

Term 6: Monday 5th June 2023 - Thursday 20th July 2023

## INSET Days:

Thursday 1st September and  
Friday 2nd September 2022

Monday 31st October 2022

Tuesday 3rd January and  
Wednesday 4th January 2023

Monday 20th February 2023

Friday 30th June 2023

Friday 21st July 2023

## ParentPay

ParentPay is a quick and easy to use online payment system that enables you to pay for school meals and other items such as locker keys, lunches and trips. It offers a highly secure payment site and gives you a history of all the payments you have made. The site also allows you to create a single account login across all of your children that attend a ParentPay school. ParentPay shows you all of the items available for payment that are relevant to each child and emails a receipt of your payment to the email address you register.

How does ParentPay help you?

It gives you the freedom to make payments to school whenever and wherever you like and stops you having to write cheques or search for cash. This will give you peace of mind that your payments are immediate, there is no waiting for cheques to clear. Alongside this payments for many of the larger trips can be made in installments up to the due date.

How does ParentPay help our school?

ParentPay reduces the administrative time spent on banking procedures and allows us to keep accurate records of payment made to every service for every student. It helps us to reduce paper 'waste' and allows for quick and easy refunds to be made back to the payment card, should they be necessary. ParentPay improves communication between the school and parents concerning payments. It offers a more efficient payment collection process, reducing the amount of money held on school premises.

How do I get started?

We will send you an activation letter containing your activation username and password to enable you to set up your ParentPay account. During the activation process you will be guided through changing your username and password to something memorable. If you have more than one child at a ParentPay school/s you can also add children to a single account providing one login for all your children at ParentPay schools.

Don't want to pay by credit/debit card?

Please contact the school to request a PayPoint letter if you are unable to add money to an account online and wish to use the PayPoint facility at a local Paypoint store. A bar code will be issued for you to make cash payments for school meals, trips etc at local PayPoint stores. PayPoint payments are recorded by ParentPay and can be seen by logging into your ParentPay account and viewing your payment history online. PayPoint facilities can be found online at [www.paypoint.co.uk/paypointlocator](http://www.paypoint.co.uk/paypointlocator).

Bridge Learning Campus parents and carers also have the ability to pay for locker keys, trips, book Bags and lunches using ParentPay. All trips will be payable via ParentPay. We hope you will support us in achieving our goal of becoming a cashless school. Your support using ParentPay will help the school enormously, thank you. Further information can be found on the ParentPay website, alternatively contact the school reception team.

# Parents and Carers - Who To Talk To:

If you need to speak to someone about a learning related issue, these are the best routes to follow – and if it needs to go further we will pass it on.

## If your child is in Primary (Nursery to Year 6)

For any child protection or very sensitive concerns, speak to one of the Primary Pastoral Team leads Ms Moore (Year N - Year 6) or Miss Hackling (Designated Safeguarding Lead)

### Problems with Learning & Lessons:

Your first point of contact is your child's class teacher.

If that doesn't help, please contact Mrs Cheshire (Associate Deputy Headteacher)

### Problems with Friendships or Health:

Your first point of contact is your child's class teacher

If that doesn't help, speak to your child's pastoral lead Ms Moore (Nursery to Year 6) or Miss Davis (Assistant Pastoral Lead Nursery - Year 6).

And if that doesn't help, speak to one of our Primary based Leadership Team;

- Mrs Carter
- Mrs Cheshire
- Mrs Broad
- Ms Ridley

## If your child is in Secondary (Year 7 to Year 11)

For any child protection or very sensitive concerns, speak to your child's Pastoral Lead:

Mr Young (Year 7)

Ms Lee (Year 8 & 9),

Mr Trudgen (Year 10 & 11),

Miss Hackling (Designated Safeguarding Lead)

Ms Johnson (Deputy Designated Safeguarding Lead)

### To discuss Learning & Lessons:

Your first point of contact is your child's class teacher

If that doesn't help, speak to the Head of Department or, if the concerns are about a number of subjects, your child's Pastoral Lead.

Mr Pitt (Deputy Headteacher) is available to help with persistent issues.

### To discuss Friendships or Health Issues:

Your first point of contact is your child's tutor

If that doesn't help, speak to the Pastoral Team

And if further support is needed, speak to one of our Assistant Headteachers Mrs Hazel, Miss Joslin, Miss Hackling or Mr Jackson.

## SEND Information

Bridge Learning Campus is an inclusive school. The following information outlines what we offer for pupils with Special Educational Needs and Disabilities (SEND).

The SEND team is made up of:

Mrs Rudd – SENDCO (Secondary)

Miss Treneman – SENDCO (Primary)

Miss Williams - Deputy SENDCO (Secondary)

### How does BLC know if pupils need extra help?

Many pupils arrive at BLC with data from a previous school or Early Years setting. In these cases, information about SEND is transferred and appropriate support can be put into place. Class teachers and one of our SENDCOs (Special Educational Needs/Disability Co-Ordinator) liaise carefully with previous schools and teachers to ensure that appropriate information about a child is shared.

Any pupils who are identified as having speech and language difficulties will have access to screening by our Speech and Language therapists to enable any difficulties to be identified as early as possible. When pupils join the school mid-year, or as part of our Year 7 intake from other Primary schools, one of our SENDCOs will discuss any needs with their former school.

If a concern is raised around a pupil's progress, whether academic or social and emotional, they are assessed by a specialist teacher within school or referred to an outside agency as appropriate.

### How will the curriculum be matched to my child's needs?

All teachers are teachers of students with special educational needs. Teachers should deliver the National Curriculum programmes of study in ways that meet the particular requirements of their pupils. The National Curriculum Inclusion Statement emphasises the importance of providing effective learning opportunities for all students and offers three key principles for inclusion:

- Setting suitable learning challenges
- Responding to pupils' diverse needs
- Overcoming potential barriers to learning

We anticipate that the vast majority of pupils' needs can be met within the mainstream classroom environment, especially as pupils are often grouped by ability ('set') for many subjects, allowing more targeted teaching. For pupils with more complex needs, we run a transition class, individual and small group intervention.

### How is progress towards outcomes measured?

All pupils who are identified as having a Special Educational Need are monitored by a SENDCO. Academic data is entered three times a year by class teachers and this allows the Inclusion Department to check progress towards Age-Related Expectations and predicted grades and offer extra support where needed.

## SEND Information

### How is the decision made about what type and how much support my child will receive?

There is a tiered approach to SEN within Bristol. All pupils' needs should first be addressed through high quality teaching within the classroom. Some pupils may receive further support in a small group, or in some cases individually if their targets require this or they are not making progress as expected. All pupils with SEND are monitored, regardless of the amount of support they need with their learning.

If a pupil has an Education, Health & Care Plan (EHCP), a pupil profile will be issued to all staff and outcomes will be monitored three times a year. In addition, an Annual Review meeting is carried out yearly with a SENDCO, parents, the pupil and any relevant professionals working with the pupil. Pupils without EHCPs may be issued pupil profiles or Pupil Learning Plans where appropriate, to enable targets to be set and monitored.

Outcomes are set by teaching with the SENDCO and shared with parents. This ensures that parents are aware of their child's next steps and can support their child to meet these.

### Who can I contact for further information?

If your child is in the primary department, Nursery to Year 6, please contact Miss Treneman. If your child is in the secondary department, Year 7 to Year 11, please contact Mrs Rudd or Miss Williams.

The SEND team can be contacted through school reception who will pass on your query to the appropriate member of staff, or by emailing [SEN@blc.school](mailto:SEN@blc.school).

Bridge Learning Campus' offer for pupils with SEND sits within the Bristol Local Offer, which can be found on this link <https://www.bristol.gov.uk/web/bristol-local-offer>

# Home Learning and Parent Communication

Home learning plays an important part in our students journey through the curriculum and we place great emphasis on it's use as a learning tool. We have several ways to support home learning and parent / teacher communication, depending upon the year group or key stage. The online platforms that we use are outlined below, alongside information on the Home Learning Journals and knowledge organisers that we use in Secondary.

## Primary (Nursery to Year 6)

### Class Dojo:

ClassDojo is an online platform which is used to connect teachers and parents from Nursery to Year 6. Teachers often share messages or work via the Class Story feature. They also award children positive behaviour dojos, which parents are notified about. Parents are invited to join ClassDojo to access messages and learning from teachers. Children also have personal accounts where they too can access learning set by the teacher and upload images and videos to share their home learning to their portfolios. ClassDojo is available by accessing the website <https://www.classdojo.com/> or by downloading an app for Apple or Android devices. It is a great platform to keep connected with school and class updates.

## Secondary (Year 7 to Year 11)

### Microsoft Team (Office 365)

In September 2022, all pupils' school online platform will be moved from Google to Microsoft Office 365. Pupils will be able to use Office 365 software to access their documents, school email and other learning software such as Hegarty maths, TimesTable Rockstars. Students will be able to view their home learning tasks on Teams, and these should also be written into their knowledge organisers. Not only will their Microsoft accounts help pupils' learning but it will also help them to develop essential employability skills.

## Home Learning Journals and Knowledge Organisers

A knowledge organiser (KO) sets out the important, useful and powerful knowledge on a topic on a single page. We have adopted their use at BLC to support home learning and revision throughout each key stage. This is because, for pupils to succeed in a particular area, they must have a foundation of factual knowledge. They need to be able to understand those facts in context and organise knowledge in order to help them remember it and apply it correctly in lessons and exams. Using knowledge organisers as a way to enable this, in a much more systematic way than traditional revision guides and textbooks, will help BLC pupils to learn great study skills and gain a deeper knowledge and understanding of the topics they are studying. In Years 7-11, these knowledge organisers can be found in the home learning journal that each pupil receives at the beginning of the school year. Should pupils lose these journals, they will be asked to pay £10 to replace them.

## The Year 7 Charter

Alongside the amazing things going on in the classroom we feel it's important that everyone has the opportunity to develop personal and social skills.

We know, now more than ever, that life can be tough and we want to make sure that our pupils are fully equipped to go out into the world ready for anything and always prepared to do their best.

We believe that the best way to learn this is to experience it yourself! Each child will take part in lots of activities across the year, ranging from Community day, where we work in the local area to help out and give back, through to presentation and oracy drop down days.

These events are great opportunities for pupils to collect evidence that they are meeting our Charter values. We have six BRIDGE values;

We hope our pupils will make the most of the Charter programme and push themselves to achieve their bronze, silver and gold awards across KS3!

## Culture and Ethos

### Overview

We like to reward good behaviour and encourage others to follow a positive example. There are termly rewards and pupils with the best attendance and behaviour participate in special events within their Pastoral team. Praise is the most important strategy and we aim to recognise pupils who are performing well and those that contribute to our school community.

We expect all members of our school community, including all staff and pupils, to uphold our BRIDGE values in everything we do.

Pupils are rewarded for consistently demonstrating these values and for making positive contributions to our school community. This might include rewards for

- Excellent effort in class or in homework
- Representing the school in a competition
- Excellent, or significantly improved attendance/punctuality
- Helping others
- Acting as a positive role model
- Outstanding achievement
- Work in the community

## Culture and Ethos continued

Our Anti-Bullying Ambassadors have devised an Anti-Bullying Pledge and our whole school community signs up to this. “We, as members of the Bridge Learning Campus Community, pledge to be kind to each other. We will always endeavour to treat each other with a high level of respect. We will have the compassion not to bully and the courage not to be a bystander. It is our responsibility to help those being bullied and to report bullying.”

As partners in the education and development of your child we ask you to support the school fully. Children must be mindful of others, throughout the school, and be prepared to take responsibility for their own actions. The BLC Behaviour Policy is currently under review but will be shared with all pupils, parents/carers and placed on our school website once this review is complete.

Pupils are expected to follow the BLC pupil code of conduct; this is known as The BRIDGE Way.

A full copy of the Behaviour policy for all pupils can be found on the website.

## Rewards and Sanctions

### Primary

Our Primary pupils use Class Dojo to record and promote good behaviour. Class teachers will reward students with the highest Dojo points each week and weekly and termly prizes are given to pupils with the best behaviour for learning and attendance.

Our behaviour system ensures that disruption to learning is minimised. Age appropriate warnings and sanctions will be given for pupils who are not following expectations.

### Secondary

Our Secondary pupils are given reward points relating to the BRIDGE Way. The prestigious Bronze, Silver and Gold awards and badges are given for those students achieving the highest number of rewards. We look forward to seeing pupils wearing their badges with pride!

A clear system is in place to minimise disruption across the Secondary building. R sanctions are given when pupils are failing to meet expectations. Teachers may keep students for up to 20 minutes without notice. Parents are notified via Parent Mail when 30 or 60 minute sanctions are given these can be for more serious offences or failure to complete homework or initial sanctions. A duty call system and room operates to support pupils who are disrupting the learning of others. If deemed necessary pupils will be removed from their usual lessons until 4pm on the same day.

At BLC we will not allow the learning of others to be affected by individual students.

# Attendance and Punctuality

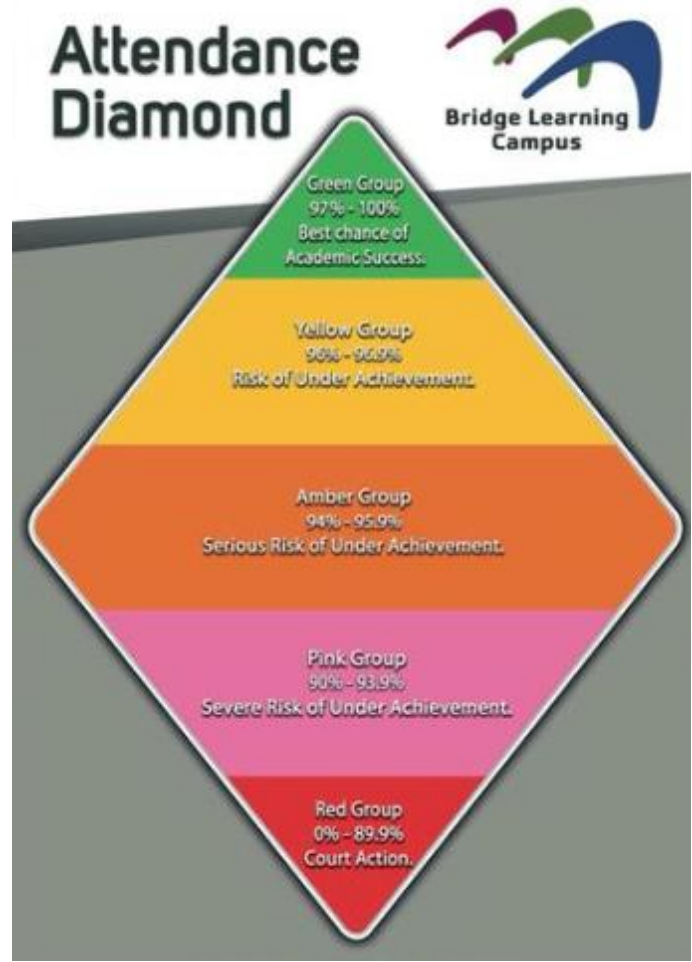

## Attendance

Attendance and Punctuality is extremely important throughout our whole school campus and we recognise the impact Attendance can have on your child's learning experience. Here at Bridge Learning Campus, we are dedicated to raising standards and pupil attainment. Our Attendance Diamond, shown above is displayed around our school. We discuss attendance each week, celebrate our successes and encourage those who need to improve. Each week we publish Attendance Figures for the 'Highest Attendance' & 'Most Improved Attendance' in our weekly newsletter and we hope with parent/carers support we can work together to achieve our school target of 94%. If you would like further information about our school approach or may have questions regarding your child's attendance, please get in touch with Miss Allen, who is our Attendance Manager, by contacting her on:-

0117 3534472 - Primary

0117 9030356 - Secondary

attendance@blc.school

## Punctuality

Punctuality to school is crucial. Lateness into school causes disruption to that individual's learning and to that of the other pupils in the class. It is paramount therefore that all pupils arrive to school on time, ready to learn.

### Primary

All children should be outside their classroom door by 8:25am, ready for the doors to open at 8:30am. Classroom doors will close promptly at 8:40am.

Registration will close at 8:50am for Primary & 9:00am for Nursery. All late pupils, who arrive in school after the closing of registration must sign in on our Entry System, entering through our Reception, this will be recorded as Late on our registers for that session. All children who attend school late must be accompanied by a parent/carers (Primary).

### Secondary

All pupils should arrive by 8.35am, ready to start first lesson by 8.40am.

Should your child arrive after 9:00am your child will receive a U code, this equates to an unauthorised absence for that session and will affect your child's annual attendance. The attendance team will monitor all pupils' attendance on a weekly basis.

Should your child continue to attend school late, your case may be referred to the Educational Welfare Service, who may take action against you, in the form of a Penalty Notice or Prosecution under section 444(1) of the Education Act 1996 at a cost of £60 per parent, per child, or a summons to court.

# Attendance and Punctuality

## Attendance

### Absences

If your child is unable to attend school please telephone on 0117 3534472 (Years 7 – 11) or 0117 9030356 (Years N – 6) and clearly state the reason for absence. If the school does not obtain a valid reason for absence, your child will be marked down as an 'O' on the register, which means your child has been marked as unauthorised.

### Truancy Call

This is an automated system that is sent when a pupil has an absent mark for AM registration. Responding to truancy call is free; you can use it to contact the school to give the reason for the absence.

### Illness

Parents must inform the school by 8:20am when their child is ill and will not be attending school. Where an absence hasn't been reported, parents will be contacted during the morning requesting a response and reason for absence. Where this is not forthcoming, the absence will be classed as unauthorised.

### Appointments

Wherever possible, all medical and dental appointments should be made outside of school time. Also, it is expected that every effort is made to minimise the amount of time that the child is absent for the appointment, i.e. not leaving until just before the appointment and returning immediately afterwards. Where the school is concerned about the child's attendance, they may request confirmation of medical appointments or medical support of illness or injury. Parents should note that not all illnesses or injuries require a child to be absent from school.

Should attendance drop to a concerning level the Attendance Manager may request supporting medical evidence for those absences relating to illness. Medical evidence can include items such as a GP slip or letter, appointment card or letter, the original prescribed medication or the prescription itself. They may also request a written explanation from your GP for the absence in question.

### Monitoring Illness

If you receive a letter to say we are monitoring your child's attendance this is due to a moderate amount of illness. The aim of this letter is for you to check their attendance so that you can monitor the amount of time they are away from school and if this is reasonable for the condition.

### No authorisation of illness

If there is an unusually high level of absence due to illness, we may notify you that we will not routinely authorise any further absence for illness. You can have illness/medical appointments authorised by bringing in appointment cards or medication packaging. If they bring it to reception we will copy it, store it on their file and return the original. Please do not ask doctor's for notes as they are very busy.

# Attendance and Punctuality

## Absence Letters

If you receive a letter asking where your child was on a certain date it is important you contact us. You can do this via email, telephone or sending your child in with the slip completed. If we do not receive this information a penalty notice could be issued as the absences will stay as unauthorised.

## Requests for leave during school time

We strongly discourage holidays being taken in term time as learning is disrupted and the lost time is detrimental to the educational progress of the child. In Guidance from the DFE states that holidays during school time can no longer be authorised by schools, unless there are exceptional circumstances. Each request will be assessed on an individual basis.

## Penalty Notices

A £60 penalty notice can be issued by the local authority if there are between 8–20 half day absences in any 10 week period. This can include unauthorised holidays.

## Uniform Information

All pupils across all phases should wear full uniform to school every day. Wearing our uniform smartly sets the right tone for learning and that pupils are ready to meet our high expectations. Uniform options are available through Monkhouse and My Clothing

### Nursery to Year 6:

- Tailored black trousers (not tight at the ankle, not skinny, denim or leggings style), knee length
- Black skirt or knee length black tailored shorts
- Plain white (or green) polo shirt with BLC logo on the chest
- Green sweater with BLC logo
- Grey or black pinafore dress
- Green gingham dresses (summer term only)
- White, grey, black or green socks/tights
- Black polishable shoes only (no trainers or visible logo)
- In Nursery & reception only – green jogging bottoms
- Book Bag

### Year 5 and Year 6

As per Year 4 but with the addition of;

- Plain blue v-neck jumper with BLC logo on the chest (Year 5 & Year 6)
- Clip on House tie

### Year 7 to Year 11:

Compulsory items:

- Tailored black trousers (not tight at the ankle, not skinny, denim or leggings style),
- knee length black skirt or knee length black tailored shorts
- Black blazer with BLC logo on the chest (Year 7 - Year 11)
- Plain blue v-neck jumper with BLC logo on the chest (Year 5 & Year 6)
- Plain white shirt
- Clip-on House tie
- White or black socks; flesh-coloured or black tights
- Polishable Black shoes (no trainers, boots, canvas, sandals or branded)

Optional items to be worn under the blazer:

- Optional plain blue jumper with BLC logo on the chest (Year 7-Year 11)

## Uniform - Additional Information

### Jewellery and Make-up

Wearing jewellery is not encouraged. This is not part of our uniform and remains your responsibility if worn. All items of jewellery must be removed for P.E but remain your responsibility at all times. Only the following is permitted:

- ONE small piercing in each ear (no ear-stretchers)
- A single necklace - underneath clothes
- A watch
- A single flat ring
- Apart from one piercing in each ear, no other piercings will be permitted – this includes facial and body piercing, including the tongue, lip, nose, etc.
- Any additional jewellery will be confiscated.

### Hair Styles

Hair should be out of the eyes and of a natural colour. The school acknowledges cultural and religious diversity, however sculptured or patterned hairstyles (including lines that are not in line with the parting) are not permitted. Hair needs to be tied up for PE lessons.

### Make-up

If worn it must be minimal. If pupils arrive to school wearing excessive make-up they will be asked to remove it.

### Nails

Should be of an appropriate length and suitable for all activities. Nail extensions are not permitted. Nails must not exceed length of fingers in order to safely participate in PE lessons.

### Coats

All jackets must be removed in the building and placed in bags or lockers. Caps/Hoods are also not to be worn indoors.

# PE Kit - Primary (Compulsory)

All of the ESSENTIALS RANGE is only available from The Famous School Branches

**Essentials T-shirt (White/Navy)**  
A compulsory high performance top . Carefully designed to provide maximum comfort.

**Essentials Shorts (Navy)**  
A compulsory item to provide comfort, range of movement, and allow for body temperature change.  
Note: Shorts from other suppliers are available and accepted by the PE department.

**Knee high sports socks (Navy)**  
A compulsory item to ensure all pupils can safely secure shin guards and to provide warmth for outdoor lessons.

**Sports trainers (any colour)**  
We accept a wide range of sports trainers from running shoes to AstroTurf trainers.

**Hair tie**  
All pupils with hair length which covers the eyes or the shoulders must tie their hair up for health and safety.

# PE Kit - Primary (Optional but Strongly Recommended)

## Essentials Tracksuit top (Navy)

We recommend pupils to purchase a warm outer garment to insulate them from cold weather during their outdoor lessons.

Note: Hoods are not accepted due to safety when participating.

## Essentials Tracksuit Bottoms (Navy)

Pupils are able to wear tracksuit bottoms to insulate them from cold weather during their outdoor lessons.

We recommend them to be worn over their shorts so they can be taken off if they get too warm when participating.

## Water bottle

We strongly recommend pupils bring a water bottle into lessons in order to stay hydrated, particularly in warmer weather.

## PE bag

We recommend this item so that pupils can keep their kit together to avoid forgetting any items for or after their lessons. The bag also provides storage for wet or dirty items, keeping them away from other items in their school bag such as their books and food, and maintain hygiene.

# PE Kit - Secondary (Compulsory)

## Aptus T-shirt (Navy/Sky)

A compulsory high performance top available in both boys and girls fit. Carefully designed to provide maximum comfort.

Only available from The Famous School Branches

Note: Girls fit comes with adjustable side cords to allow length to be changed for personal preference and/or use with leggings.

## Aptus Shorts (Navy)

A compulsory item to provide comfort, range of movement, and allow for body temperature change. Boys and girls fit available.

Note: Shorts from other suppliers are available and accepted by the PE department.

## Knee high sports socks (Navy)

A compulsory item to ensure all pupils can safely secure shin guards and to provide warmth for outdoor lessons.

Note: Socks from other suppliers are available and accepted by the PE department.

## Sports trainers (any colour)

We accept a wide range of sports trainers from running shoes to AstroTurf trainers.

## Hair tie

All pupils with hair length which covers the eyes or the shoulders must tie their hair up for health and safety.

# PE Kit - Secondary (Optional but Strongly Recommended)

We recommend pupils to purchase a warm outer garment to insulate them from cold weather during their outdoor lessons.

Note: Tops from other suppliers are available and accepted by the PE Department, as long as they have no hood and a plain.

## APTUS Essentials Tracksuit Bottoms (Navy/Black)

Pupils are able to wear tracksuit bottoms to insulate them from cold weather during their outdoor lessons.

We recommend them to be worn over their shorts so they can be taken off if they get too warm when participating.

Note: Tops from other suppliers are available and accepted by the PE Department.

## APTUS Sports Leggings (Navy/Black)

Girls leggings are allowed instead of shorts but must be sports leggings. SWI supply an approved legging if you are unable to source from other suppliers.

Note: leggings from other suppliers are available and accepted by the PE Department.

## Note:

These are optional items to allow students to be fully prepared for colder weather. We also allow students to wear under layers underneath their T-shirt and shorts if they prefer.

# PE Kit - Strongly Recommended Y4-11

## Studded Footwear (any colour)

We recommend short plastic studs as these can be worn on our 3G AstroTurf in addition to the grass.

All pupils will participate in a range of sports where this item will be of benefit. These are a compulsory item for secondary pupils who also wish to represent the school in competitions.

## Shin Guards

All pupils will participate in Football whereby this is a recommended item for safety.

## Gum shield

All secondary pupils will participate in Rugby whereby this is a recommended item for safety.

## Water bottle

We strongly recommend pupils bring a water bottle into lessons in order to stay hydrated, particularly in warmer weather.

## PE bag

We recommend this item so that pupils can keep their kit together to avoid forgetting any items for their lessons. The bag also provides storage for wet or dirty items, keeping them away from other items in their school bag such as their books and food, and maintain hygiene.

# School Lunches

All children buy lunch through our cashless system, see the ParentPay information on page four. If your child is entitled to a free school meal and is in Year 3 and above please claim your entitlement by applying through Bristol City Council. Children in Nursery to Year 2, please see the school office for a Pupil Premium Checker form and return this to us. We will carry out the check for you by liaising with the Local Authority.

For those children on free school meals the cost of a meal is added automatically daily so every child appears the same. This year the catering company have introduced a Biometric thumb print to their system so students will not have to carry a card. Please ensure you have ticked the permission box on your admission form or ask the office for a Biometric opt in form.

Children may also bring packed lunches but there are a number of items that are banned and will be confiscated immediately. This is to reinforce healthier eating choices at school. These include any fast-food and all fizzy AND any high-sugar drinks.

Should your child suffer with any food allergies, please contact us as soon as you can before their start date.

## Community and Parents/Carer's Advisory Group

Listening and working well with school stakeholders is a key part of the school's work and principal among these is the parent community. The participation of parents and then the wider community is an important aspect of school leadership which provides important insights into the school, which can be shared with other interested parties.

Our Community and Parents/Carers' Advisory group is a group that meets three times a year to provide a formal interface between the parent/community body, the school and Trust in Learning. School leaders may wish to use this meeting to consult or share ideas, information and proposals or ask for feedback on different aspects of school/Trust life from the parent/community perspective. Parents/carer representatives on the Group can use the meetings as an opportunity to raise their own ideas, concerns or proposals. They may wish to ask for information or clarity on school or Trust policy or systems. The CPAG meetings are chaired by the Headteacher and formally minuted by a clerk. These minutes are sent to the Trustees and are available to the community via our school website.

If you are interested in being part of this group, please contact Mrs. Jacqui Frederiks Davies (Clerk) on [jfrederiks-davies@blc.school](mailto:jfrederiks-davies@blc.school).

## Complaints

We fully appreciate that no matter what we do, there will be times where communication breaks down, someone makes a mistake or you feel let down. We always want to put matters right as soon as we can. It is always worth trying to resolve the problem before making a formal complaint.

However, should this be an avenue you wish to pursue, please email the Headteacher's PA Mrs Alex McAfee at [amcafee@blc.school](mailto:amcafee@blc.school) for more information.
