

BLC Uniform Code

2026-2027

All pupils across all phases should wear a full uniform to school every day. Wearing our uniform smartly sets the right tone for learning and shows that pupils are ready to meet our high expectations. Logo uniform can be purchased through our supplier. <https://www.monkhouse.com> and <https://myclothing.com>

Pupil's Nursery

- Black or grey tailored trousers, leggings or jogging bottoms, black tailored knee-length shorts or black knee length skirt
- Green polo shirt with or without BLC logo
- Green Sweater or cardigan with or without BLC logo
- Green gingham dress (summer only) or Grey or Black pinafore dress
- White, grey, black, or green socks/tights
- Completely black shoes or black trainers.

Pupil's Year R to Year 6

- Black or grey tailored trousers, black tailored knee-length shorts or black knee length skirt or tailored black shorts (e.g. no sports, cargo, denim or Lycra shorts)
- Green gingham dress (summer only) or Grey or Black pinafore dress
- Bottle green polo shirt with or without BLC logo
- Bottle green jumper, cardigan or fleece with or without BLC logo
- White or black socks; flesh coloured or black tights
- Completely black shoes, no trainers, or boots
- Book bags for children in Reception to Year 3.

Year 7 to Year 11

- Tailored black trousers (not tight at the ankle, not skinny, denim or leggings style)
- Knee length black pleated skirt (no other types of skirts are permitted, i.e. 'Pencil', 'tube' skirts) or tailored black shorts (no sports, cargo, denim or Lycra shorts)
- Plain white shirt, short or long sleeved, must be tucked in
- Blue school jumper with BLC logo
- House tie – see the pastoral team or reception if you are unsure what house
- Black blazer with BLC logo – optional which pupils are welcome to wear
- White or black socks - flesh-coloured or black tights only, no patterns
- Completely black shoes or trainers (no coloured markings allowed, no open-toe footwear).

Uniform - Additional Information:

Jewellery

The following jewellery is permitted: **All items of jewellery must be removed for P.E. and practical subjects.**

Jewellery is not part of our uniform and is always the pupil' and their parent and carer's responsibility if worn or brought to school.

Nursery – Year 6

- Earrings - a small plain stud
- No necklaces or bracelets
- A watch (no smart watches)
- Jewellery must be removed for PE

Year 7 – Year 11

- Earrings - a small plain stud piercing in each earlobe and nose (no ear-stretchers or cartilage piercing). No other piercings will be permitted, this includes facial and body piercing including the tongue, lip, eyebrow etc
- A single necklace or chain may be worn underneath clothes is permitted
- A watch is permitted

- Rings are permitted but these should be limited
- Bracelets/bangles are permitted but these should be limited

Hair

- Cultural and religious headwear are welcomed and supported.
- Afro-textured hair is recognised as an important aspect of Black staff and pupils' racial, ethnic and cultural and religious identities.
- The school acknowledges that Afro-textured hair requires specific styling for health and maintenance
- A wide range of hairstyles are permitted including Afro, Locos, Twists, Braids, Cornrows, Fades, Head or chemically straightened hair, weaves, wigs, headscarves and wraps
- Hair accessories such as hairbands, headscarves, and wraps must match school uniform colours: Black, grey, white or green.

Nails

Should be of an appropriate length and suitable for all activities. Nail extensions are **not** permitted. Nails must not exceed the length of fingers to safely participate in PE lessons.

Coats and caps

All jackets and caps must be removed inside the building and placed in bags or lockers. Caps and hoods are also not to be worn indoors.

Non-school jumpers and Hoodies

Some pupils choose to wear a jumper or a hoodie in replacement of a coat. As above, these items need to be removed when in the school building and placed in bags or lockers.

Headphones/ear buds

These are not permitted in school unless agreed by a teacher that a child can use them within a particular lesson (e.g. for individual listening activities in languages). Headphones are provided for classroom use where they are needed.

There must be no use of air pods/headphones/ear buds in corridors or outside classrooms. Pupils with a need for noise reducing ear buds to support sensory overload will agree with our pastoral or SEND through parent consultation.

Purchasing Uniform/Kit

Uniform options are available through Monkhouse and My Clothing:

Monkhouse

140 East Street Bedminster Bristol

BS3 4EW

0117 374 6408

Website: <https://www.monkhouse.com/>

My Clothing website: <https://myclothing.com/>

PHYSICAL EDUCATION

At BLC we want our pupils to feel safe, comfortable, and valued members of their lessons, so that they can enjoy but also thrive. We believe the PE uniform is the first step required in order for them to access their learning, so we hope you can support us in delivering this message to our young learners.

Compulsory PE Uniform

- School Branded PE shirt or polo (alternatively pupils can wear a plain unbranded sports top)
- Shorts, Joggers, Skort or sports leggings
- Sports socks (black or navy)
- Trainers suitable for indoor and outdoor use
- Water bottle – no sanction if forgotten

Additional Items (recommended but not essential)

The PE Uniform Top

		
Secondary Size Unisex	Secondary Size Girls fit	Primary Size Unisex

This item is a compulsory item required by every pupil who attends BLC. This item can be purchased from Monkhouse, our uniform supplier. This is the only item in our uniform with a logo which is compulsory for pupils to wear.

All the **tops** are high-quality performance tops, these are lightweight, flexible, breathable, and easy to wash and dry. The Girl's fit top is a state of the art top designed by teenage girls, for teenage girls, in sport, it has a hidden adjustable tie which raises and lowers the length of the garment for a personalized fit.

The next items are compulsory but can be purchased from any supplier. Pupils are not limited to only using our school supplier.

		
---	---	---

Shorts navy or black	Socks white, navy or black only	Sports trainers any colour
-----------------------------	--	-----------------------------------

Shorts are a compulsory item to ensure all pupils can fully access all the activities they are doing. They provide the flexibility to move without tearing the material or restricting the body's movement.

They are essential when temperatures are high to maintain a steady body temperature, and pupils will be advised to wear them when participating indoors for the same reason.

A change of **socks** is compulsory; this is for hygiene purposes. The sock can be of any length but must be black, navy or white.

Trainers can be any colour, we accept a wide range of trainers but ask they are suitable for sport. We recommend a trainer which has a cushioned sole and suitable grip for health and safety.

Additional Items (recommended but not essential) See table below

Tracksuit jacket or jumper for colder weather (no hoods)

Football boots (for field sports) can be borrowed

Shin pads (for football and hockey) can be borrowed

Gum shield (for rugby and hockey)

Base layers (optional for warmth)

Preparation for PE – compulsory

Jewellery

Pupils are not permitted to wear any jewellery for PE, this is due to health and safety. Since the school is not liable for loss of property, all pupils are encouraged not to wear jewellery on days when they have a PE lesson.

We ask pupils to think strategically when getting new piercings (especially cartilage) to allow time for them to heal prior to returning to school. Newly pierced ears can be done at the start of the summer holidays instead of the end to avoid this. **No Cartilage piercing are allowed in school.**

All jewellery should be removed for PE, but in extreme circumstances where piercings cannot be removed, they will need to be taped with specialist medical tape and padded (provided in the medical room if required) and the pupil will then be able to participate with their class. There may be some physical activities that are not safe even when the piercing is taped, and pupils will be given adapted roles (where possible) until the item of jewellery can be removed safely.

This can be hugely disruptive to their learning as it can take up to 6 weeks and 6 months (cartilage) for recovery to occur, so we advise families to think very carefully about the timing of such piercings. Although, please remember there are no cartilage piercings allowed in school.

Exception: for some activities where safe to do so, we do allow fitness watches to be worn, pupils will be informed when they can wear these.

Year 1 and Year 2 children are asked not to wear earrings at all on PE days. For these year groups only, any children with stud earrings will have their ears taped by a member of staff prior to participation. Pupils in Year 3 to Year 11 will be expected to tape or remove the jewellery themselves, if they are unable to do this, we strongly encourage them to wait to have a piercing until they are able to self-manage them independently.

Hair

Hair which touches the shoulders or obscures the eyes needs to be clipped or tied back. Pupils need to bring their own hair bands in order to do this. If a band snaps in lesson, they will be issued with an elastic band so they can continue to participate.

Games Sock -black or navy only

Throughout the year pupils will participate in games such as football, rugby, and hockey where shin pads need to be worn securely, these require a knee-high sports sock in black or navy. For these lessons, this item is **compulsory**, and pupils will be sanctioned if they do not have them.

The above items are all compulsory, presentation matters at BLC and we hold high expectations regarding this. The uniform provides pupils of all ages and incomes the flexibility to find something which they feel comfortable in so that all children can participate fully and enjoy all PE activities. Shorts and socks are available in multiple colours and are allowed to be purchased from any supplier to suit the budget of the individual. It is only the top we ask is purchased from our school supplier which is only a single item in comparison to other schools. Failure to wear these compulsory items (except socks when shin pads are not required) is likely to result in a sanction, in line with our Behaviour Policy.

PE Uniform Sanctions

To avoid any sanction for PE uniform, this can be best done by ensuring every pupil is aware of when they have PE, what they are doing in PE and are organised in preparing their uniform the night before the lesson. Unfortunately, many pupils do not practice this and therefore attend lessons unprepared. This can impact their ability to access the lesson. We therefore have a sanction system in place to discourage this action from repeating itself on future occasions. All sanctions are recorded on class charts where you will receive notification as the parent/guardian.

Primary specific:

All pupils in primary wear their PE uniform to school. This option is possible as at this age, as PE is held in the afternoon and pupils can return home and change afterwards.

However, all pupils are expected to arrive at school in correct PE uniform on the day they have PE. If this does not occur, you as the parents will be asked to take them home to get changed, return to school with their PE uniform or in exceptional circumstances the pupil will be asked to borrow uniform.

As PE lessons are in the afternoon, this provides ample time for the pupil to be in full correct PE uniform prior to the start of the lesson.

Pupils who persistently do not meet these expectations could find themselves receiving sanctions like our secondary pupils.

Optional PE Uniform

Due to the activity, they are participating in, or the British weather, there will be times the pupils may want to wear additional items. We fully support this, but do have some guidelines we wish all pupils to follow:

Tracksuit Bottoms	A tracksuit bottom can be worn for outdoor lessons and in cold weather. We ask that they are black or navy only . Pupils will be asked to remove the item if it is not the correct colour.
Sports Leggings	We ask that these are the correct material and are not see-through. They need to be black or navy . The test: if you are unsure if the leggings are too thin, ask your child to bend their knee fully, if the material stretches and the skin underneath becomes visible, then these are not appropriate for PE.
Tracksuit top	A tracksuit top can be worn if it is black or navy . It must not have a hood , and the hood cannot be tucked in. These are not allowed to be worn for Rugby due to the zip but can be worn for any other lesson. Pupils will be asked to remove the item if it is not the correct colour or has a hood.
Jumper	These must be black or navy and must not have a hood . These can be worn in replace of a zip up top for rugby.
Base layers and other under layers e.g. Under armour	Pupils can wear any number of layers underneath their PE top, these items can be quite niche so we do not limit the colours which can be worn.

Shin Pads	Shin pads need to be worn by all pupils when participating in football or hockey, this is the law. If pupils wish to bring their own into school to wear during these activities this is fine. We as a school are in the fortunate position of being able to lend every pupil a pair of shin pads which we will expect every pupil to put on if they do not have their own.
Studded Footwear	For activities on our field and astroturf, pupils will need studded footwear. They are welcome to bring their own into school, but they must have plastic or rubber studs, they cannot be metal. We as a school are in the fortunate position of being able to lend every pupil a pair of boots to access these lessons. However, if they were to have their own it would speed up the start of the lesson.
Gum shield	This is a recommended item for rugby and hockey in line with NGB guidelines. Pupils who do not wear one do so at their own risk and the school cannot be held liable for any injury arising because of this.
